SUPPORT

Rezdiffra™
resmetirom tablets

Your new medication journey, step by step

STEP 1

**Prescription
sent**

Your doctor or Madrigal Patient Support™ sends your Rezdiffra prescription to a specialty pharmacy. This is different from a regular pharmacy, they ship your medicine right to your home.

STEP 2

**Cost & coverage
verified**

Your insurance may ask your doctor for medical paperwork, called prior authorization. Once that's approved, the pharmacy will provide your estimated out-of-pocket amount. If you're enrolled in Madrigal Patient Support, we'll let you know if you can get financial help.

STEP 3

**Delivery
scheduled**

Your specialty pharmacy or Madrigal Patient Support will call you to set up delivery. Make sure your address is correct.

It may take 30-45 days to get your first shipment.

STEP 4

Refills

When it's time for a refill, you'll get a call from your specialty pharmacy or Madrigal Patient Support. Be sure to answer so you don't miss a dose.
